Failure on the part of the Tenant to comply with this provision is a serious violation of the material terms of the Lease, for which the Landlord may terminate the Lease as provided herein. Deletions from the household shall be reported to the Landlord within ten (10) calendar days.

Household members without Citizenship/Eligibility status must be listed on a "Statement of Non-Eligible Members" which will be attached to this Lease.

If the Tenant becomes incapacitated and/or incapable of complying with this Lease, the Landlord should contact the person designated on the most current "Emergency Data Form" on file.

If the selection was made to base the rental amount on income above, the rental amount may change throughout the duration of the Lease should the household income change. This change will be accomplished through either an Annual Rent Recertification or an Interim Rent Adjustment.

Rent is due and payable in advance on the first day of each month at the Marysville Housing Commission Office located at 1100 New York, Marysville, MI 48040 and shall remain in effect until adjusted in accordance with the provisions of this Lease. Cash payments are not acceptable. Rent includes a utility allowance, all maintenance services not due to normal wear and tear and a charge for cable television (if applicable).

A \$20.00 late charge will be assessed to cover the added costs of a payment received after the 10<sup>th</sup> day of the month. A dishonored payment (i.e., check, money order, ach withdrawal, etc.) returned for non-sufficient funds or any other reason shall be considered non-payment of rent and in addition to any applicable late charges the actual fees assessed to the Landlord by the financial institution will be the Tenant responsibility.~~

~~If Tenant fails to pay their account balance in full by the tenth (10th) day of the month, a notice to vacate will be issued to the Tenant. A late charge of ten (10%) percent will be assessed to your account if payment in full is received after the tenth (10th) of the month. A dishonored payment (i.e., check, money order, ACH withdrawal, etc.) returned for non-sufficient funds or any other reason shall be considered non-payment of rent and in addition to the late charge, a returned check fee will be charged. The amount of the returned check fee is the actual fee assessed the Landlord by a financial institution.~~

If a family is paying the minimum rent and its circumstances change creating an inability to pay the rent, the family may request suspension of the minimum rent because of a recognized hardship.

In the event legal proceedings are required to recover possession of the premises, the Tenant will be charged with the actual cost of such proceedings as allowed by law. Monthly Rental Payments will continue to be charged and payment expected to be paid in full (or placed in escrow) until such time the dwelling lease has been terminated.

With the written permission of the Landlord, the Tenant can incidentally use the premises for legally permissible income producing purposes defined as a home occupation. The home occupation is any income producing activity conducted entirely within the dwelling unit by the lawful occupants of the dwelling unit that does not require any equipment not customarily found in residential areas. No article or service is sold or offered for sale on the premises, except such as is produced by such occupation. All such business-related uses of the premises must meet all zoning requirements and the Tenant must have the proper business licenses.

The Tenant has the right to exclusive use and occupancy of the dwelling unit, which includes reasonable accommodation of the Tenant's guests, visitors and, with the consent of the Landlord, foster children and/or adults and the live-in care giver of the Tenant's family.

7. **CONDITION OF DWELLING:** By signing this Lease and the Unit Inspection Report, the Tenant acknowledges that the dwelling unit is safe, clean and in good condition, and that the range, refrigerator and equipment in the dwelling unit are in good working order as described on the Move-in Unit Inspection Report. This report, signed by both the Tenant and Landlord, is attached to this Lease. The Tenant agrees to maintain the unit in a clean, safe, and sanitary condition by following all requirements listed in the attached Tenant Handbook. Tenant acknowledges that periodic inspections will be performed which must pass or the tenant may be subject to possible eviction.

At the time of move out, the Landlord shall complete another inspection of the dwelling unit. When the Tenant notifies the Landlord of his or her intent to vacate, the Landlord shall advise the Tenant of their opportunity to participate in the move-out inspection.

8. **UTILITIES AND APPLIANCES:** The Landlord agrees to furnish the following utilities as part of this Lease Agreement but shall not be liable for the failure to provide service if beyond its control:
  - (1) Water, sewage and garbage collection;
  - (2) Heat in amounts and at times as necessary.

The dwelling unit shall include a stove and refrigerator provided by the Landlord. The Utility Allowance Schedule for Tenant Paid Utilities are posted in the Landlord's office. Amounts in the Utility Allowance Schedule for Tenant Paid Utilities shall be applied to the Tenant's rent calculation on a monthly basis. The Tenant is responsible for all payments in full to all Utility Companies regardless if these amounts shall be higher or lower than the amounts listed on the Utility Allowance Schedule. The Landlord may change the Utility Allowance at any time during the term of the Lease. Utility allowance revisions shall be effective following a thirty (30) calendar day notice to the Tenant, providing the tenant an opportunity to present written comment. Once the Utility allowance revisions are officially adopted by the Commission Board, the tenant will receive a thirty (30) calendar day notice of any increase in rent payable to the landlord resulting from the utility allowance revisions.

The Tenant agrees to pay for the following utilities:

- (1) Electric service;
- (2) Cable television (if applicable).

Tenant agrees not to waste the utilities provided by the Landlord and to comply with any applicable law, regulation, or guideline of any government entity regulating utilities or fuels. Tenant agrees to immediately notify Landlord of any interruption of any utility to the apartment and will be charged for any damages resulting from his/her failure to maintain sufficient heat or to notify Landlord, unless for any cause beyond his/her control.

9. **RENT RECERTIFICATIONS:** Each year, by the date specified by the Landlord, Tenants who are paying rent based on their income shall provide updated information regarding income, assets, expenses, and family composition. The Landlord shall verify the information supplied by the Tenant and use the verified information to establish the amount of the Tenant's rent for the next year.

Income reviews will be held every third year for Tenant choosing the flat rent option. Tenants who have chosen this option will be notified at the appropriate time for their recertification.

At the time of the review appointment the Tenant may elect to change his or her rent choice option.

In cases where annual income cannot be projected for a twelve-month period or the Tenant is reporting no income and Tenant has chosen the percentage of income rent option, the Landlord will schedule special rent reviews every ninety (90) calendar days. In addition, the Tenant may request a change in the rent choice option before the date of the review if the family experiences a decrease in income; their circumstances have changed increasing their expenses for child care, medical, etc., or other circumstances create a hardship on the family such that the formula method would be more financially feasible for the family.

Tenants paying rent based on income may meet with the Landlord to discuss any change in rent resulting from the recertification process. If the Tenant does not agree with the determination of rent, the Tenant may request a hearing in accordance with the Landlord's grievance procedures.

Beginning December 1, 2018, HUD regulation (FR-5976-N-07) requires that after a family's income has exceeded 120% of the area median income for two consecutive years a public housing agency must (pending further regulation and guidance from HUD) terminate the family's tenancy within 6 months of the second income determination or charge the family a monthly rent equal to the greater of (1) the applicable Fair Market Rent; or (2) the amount of monthly subsidy for the unit including amounts from the operating and capital fund.

Exempted from this regulation are families with a valid Family Self- Sufficiency (FSS) contract, or families where at least one family member is receiving the Earned Income Disregard benefit.

10. **INTERIM RENT ADJUSTMENTS:** Tenants must promptly report to the Landlord any of the following changes in household circumstances when they occur between Annual Rent Re-certifications within ten (10) calendar days:

- a. A member has been added to the family through birth, adoption, or court-awarded custody.
- b. A household member is leaving or has left the family unit.
- c. An increase in household income or a change in a source(s) of household income.

Any member(s) the Tenant wishes to add to the household not meeting the criteria in "a." of this section above, must complete an application and go through the screening process with the landlord and will be either approved or denied based on all normal screening requirements. Members denied will not be allowed to reside in the household. Failure of the Tenant to abide by this determination can result in lease termination and eviction pursuant to Section titled "Lease Termination by Landlord" below.

In addition, Tenants paying rent based on a percentage of income may report the following activities that occur between Annual Rent Re-certifications:

- a. A decrease in household income;
- b. Childcare expenses for children under the age of 13 that are necessary to enable a member of the household to be employed or to go to school;
- c. Handicapped assistance expenses, which enable a family member to work;

Initials that they have  
Read this entire page: \_\_\_\_\_

- d. Medical expenses of elderly, disabled, or handicapped headed households that are not covered by insurance; or
- e. Other family changes that impact their adjusted income.

Notwithstanding the provisions listed above, a Tenant's rent shall not be reduced if the decrease in the family's annual income is caused by a reduction in the welfare or public assistance benefits received by the family that is a result of the Tenant's failure to comply with the conditions of the assistance program requiring participation in an economic self-sufficiency program or other work activities. In addition, if the decrease in the family's annual income is caused by a reduction in welfare or public assistance benefits received by the family that is the result of an act of fraud, such decrease in income shall not result in a rent reduction. In such cases, the amount of income to be attributed to the family shall include what the family would have received had they complied with the welfare requirements or had not committed an act of fraud.

For purposes of rent adjustments, the reduction of welfare or public assistance benefits to a family that occurs as a result of the expiration of a time limit for the receipt of assistance will not be considered a failure to comply with program requirements. Accordingly, a Tenant's rent will be reduced as a result of such a decrease.

The Landlord shall verify the information provided by the Tenant to determine if a decrease in the rent is warranted.

If the Tenant receives a letter or notice from HUD concerning the amount or verification of family income the communication shall be brought to the Marysville Housing Commission Office within ten (10) calendar days.

11. **EFFECTIVE DATE OF RENT CHANGE:** The Landlord shall give the Tenant written notice of any change in the Tenant's rent. The notice shall be signed by the Landlord, state the new amount the Tenant is required to pay, and the effective date of the new rental amount.

- a. Rent Decreases: The Landlord shall process rent decreases so that the lowered rent amount becomes effective on the first day of the month after the Tenant reports the change in household circumstances.
- b. Rent Increases: The Landlord shall process rent increases so that the Tenant is given no less than 30 days advance written notice of the amount due.

Once the gross rental rate is established, it shall remain in effect until the effective date of the next annual review, unless another interim review and change is warranted or the Tenant elects to change to or from the flat rent calculation method.

12. **TENANT OBLIGATION TO REPAY:**

Tenants who pay rent based on income shall reimburse the Landlord for the difference between the rent that was paid and the rent that should have been charged if proper notice of income change had been given and if the following circumstances occur:

- a. Tenant does not submit rent review information by the date specified in the Landlord's request; or
- b. Tenant submits false information at admission or at annual, special, or interim review.
- c. Tenant fails to report changes as required under Section titled "Interim Rent Adjustments" of this lease.

Tenant is not required to reimburse the Landlord for undercharges caused solely by the Landlord's failure to follow U.S. Department of Housing and Urban Development's procedures for computing rent.

Failure to supply information when requested is a serious violation of the terms of the Lease and the Landlord may terminate the Lease.

The Tenant understands that the Landlord assigns dwelling units according to the Occupancy Standards published in its Admissions and Continued Occupancy Policy (ACOP). The Standards consider the type (such as dwelling units designed for the elderly or handicapped) and size of the dwelling unit required by the number of household members. - b. For creation or maintenance of a threat to health or safety of other Tenants or Landlord's employees, a reasonable time based on the urgency of the situation, at least seven (7) calendar days

- d. For all other causes including drug related criminal activity or the abuse of alcohol or any other controlled substance off the premises, thirty (30) calendar days, unless State law permits a shorter period.

The Notice to Quit required by State law may be combined with or run concurrently with a Notice of Lease Termination required by this Lease.

The Notice of Lease Termination from the Landlord shall be either personally delivered to the Tenant or to an adult member of the Tenant's family residing in the dwelling unit, or sent to the Tenant by First Class Mail, properly addressed, postage pre-paid. The notice shall:

- a. Specify the date the Lease shall be terminated;
- b. State the grounds for termination with enough detail for the Tenant to prepare a defense. The Landlord shall rely solely on the grounds stated in the Notice of Lease Termination in the event eviction action is initiated;

When Landlord evicts an individual or family from a dwelling unit for engaging in criminal activity, including drug-related criminal activity, the Landlord shall notify the local post office serving that dwelling unit that such individual or family is no longer residing in the unit. So the post office will stop mail delivery for such person at the unit, and they will have no reason to return to the unit for pickup of mail.

- 19. **LEASE TERMINATION BY TENANT:** The Tenant shall give the Landlord thirty (30) calendar day's written notice before moving from the dwelling unit. If the Tenant does not give the full notice, the Tenant shall be liable for rent to the end of the notice period or to the date the dwelling unit is re-rented, whichever date comes first.

The Tenant has the obligation to return physical possession and keys to the owner at the end of the term of the lease. The Tenant shall be charged rent until:

- a. Expiration of the required thirty (30) calendar day notice period (or date the dwelling unit is re-rented, if within the required thirty (30) calendar day notice period), or
- b. When the keys are turned in and possession is returned, pursuant to Housing Commission Policy.

The Tenant agrees that possession shall mean when the owner has physical possession of the keys and the unit. In the event that the Tenant uses the drop box located at the management office to return keys after hours or on weekends or holidays, possession shall mean the next day the management office is open for business. (Drop boxes at any location other than the management office are for payments only and should not be used for returning unit keys.)

Tenant's may request a Pre-Vacate Inspection to help determine what items may be charged to the Tenant upon vacating the unit.

- 20. **TERMINATION OF LEASE UPON DEATH OR INCAPACITY OF TENANT:** Upon notification of the death of the sole Tenant, the deceased tenant's estate should be allotted time to remove the personal belongings from the unit.

If rent has been paid (prior to death) for the month in which the death occurs, the deceased tenant's estate will be allotted time through the end of the month in which the rent has been paid, or fourteen (14) consecutive calendar days from the date the Housing Commission was notified of the death, whichever is greater.

If current rent has not been paid for the month in which the death occurs, Port Huron Housing Commission will make a reasonable attempt to contact the authorized person using the contact information provided by the Tenant. Port Huron Housing Commission will request that the contact person open a probate estate for the tenant within twenty-eight (28) calendar days after the tenant's death. The Housing Commission will place a notice on the door of the unit the intent to reenter, take possession of the premises, and dispose of its contents after ten (10) calendar days have elapsed. The Housing Commission will notify the public administrator for the county where the unit is located and inform them the tenant is deceased and the intent to reenter to take possession of the premises and dispose of its contents if a probate estate is not opened.

If during the term of this Lease the Tenant, by reason of physical or mental impairment, is no longer able to comply with the material provisions of this Lease and the Landlord cannot make a reasonable accommodation to enable the Tenant to comply with the Lease, then action shall be taken. The Landlord will assist the Tenant or designated member(s) of the Tenant's family in finding the Tenant more suitable housing. If there are no family members, the Landlord will work with appropriate agencies to secure suitable housing. This Lease will terminate upon the Tenant moving from the unit.

## 21. VAWA PROTECTIONS

The Violence Against Women Act provides the following protections to public housing tenants.

- a. The landlord will not terminate or refuse to renew the lease and will not evict the tenant or a member of tenant's household from the dwelling unit if the tenant, lawful household member, or an affiliated individual is a victim of actual or threatened domestic violence, dating violence, sexual assault or stalking as those terms are defined by the Admission and Continued Occupancy Policy (ACOP).
- b. Under the Violence Against Women Act, the landlord may bifurcate this Lease in order to evict, remove, or terminate assistance to any person who is a tenant, a lawful occupant or affiliated individual under this lease when such person engages in criminal acts of physical violence against family members or

others, on or off the premises. The landlord may take such action without evicting, removing, terminating assistance to or otherwise penalizing a victim of such violence who is the tenant, a lawful occupant or affiliated individual under this lease.

- c. With any notification of eviction or notification of termination of assistance, Tenants will be given a "Notice of Occupancy Rights under the Violence Against Women Act" which provides information on their rights and responsibilities under the Violence Against Women Act (VAWA). A copy of the HUD-approved Certification form shall also be provided with the notice.
- d. The landlord may request in writing that the victim, or a family member on the victim's behalf, certify that the individual is a victim of abuse and that the HUD Certification of Domestic Violence, Dating Violence or Stalking or other documentation as noted on the certification form, be completed and submitted within fourteen (14) business days, or an agreed upon extension date, to receive protection under the VAWA. Failure to provide the certification or other supporting documentation within the specified time frame may result in eviction.
- e. Notwithstanding anything to the contrary contained in paragraphs a and b above, the landlord may terminate the lease and evict the tenant if the landlord can demonstrate an actual and imminent threat to other tenants or to those employed at or providing goods or services to the site in which the unit is located, if the tenant's tenancy is not terminated.
- f. **Nothing in this section** shall prohibit the landlord from terminating the lease and evicting the tenant based on any violation of this lease not involving domestic violence, dating violence, sexual assault, or stalking against the tenant or household member provided that the landlord does not subject such a tenant to a more demanding standard than other tenants in making the determination whether to evict or to terminate assistance or occupancy rights
- g. The VAWA definitions set forth in 24 CFR 5.2003 are hereby incorporated by reference into this lease.

21. **PROPERTY ABANDONMENT:**

Abandonment is distinguished from an absence from an apartment by the failure to pay Tenant rent and failure to acknowledge or respond to notices from the Landlord regarding overdue rent.

If a Tenant abandons the dwelling unit or any property, the Landlord shall pursue legal action.

22. **DELIVERY OF NOTICES:**

Notice by Landlord: Any notice from the Landlord shall be in writing and either personally delivered the dwelling unit, to the Tenant or to an adult member of the Tenant's family residing in the dwelling unit, or sent to the Tenant by first-class mail, properly addressed, postage pre-paid first class mail.

Notice by Tenant: Any notice to the Landlord shall be in writing, and either personally delivered to the Landlord at the Landlord's Office, or sent to Landlord by first-class mail, postage pre-paid and addressed to:

The Marysville Housing Commission  
1100 New York Ave.  
Marysville, MI 48040.

If the Tenant is visually impaired, notices shall be in accessible format if requested by the Tenant.

23. **GRIEVANCES:**

All individual grievances or appeals, with the exception of those cases concerning eviction or termination of tenancy which are based upon a Tenant's creation or maintenance of a threat to health or safety of other Tenants or Landlord employees, shall be processed under the Grievance Policy. This policy is posted in the Landlord's Office where copies are available upon request.

Before the Landlord shall schedule a Grievance Hearing for any grievance concerning the amount of rent the Landlord claims is due, the Tenant must first bring his or her rent account current by paying to the Landlord an amount equal to the amount of rent due and payable as of the first of the month preceding the month in which the act or failure to act took place. After the hearing is scheduled, the Tenant shall continue to deposit this same monthly rent amount into the Landlord's escrow account until the complaint is resolved by the decision of the hearing officer or panel.

When the Landlord is required to afford the Tenant the opportunity for a hearing in accordance with the landlord's grievance procedure for a grievance concerning the Lease termination, the tenancy shall not terminate (even if any notice to quit under State law has expired) until the time for the Tenant to request a grievance hearing has expired, and (if a hearing was timely requested by the Tenant) the grievance process has been completed.

Grievance Hearings shall be presided over by a Hearing Officer who shall be an impartial person or persons selected by the Marysville Housing Commission's Executive Director. It shall be someone other than the person who made or approved the decision under review, or a subordinate of that person. Such individual or individuals do not need legal training.

24. **HOUSE RULES/POLICIES:**

The Tenant agrees to obey any House Rules or Policies, which are reasonably related to the safety, care and cleanliness of the building and the safety, comfort and convenience of the tenants. Such rules may be modified by the Landlord from time to time provided that the Tenant receives written notice of the proposed change, reasons for the change and an opportunity to submit written comments during a thirty (30) calendar day comment period at least thirty (30) calendar days before the proposed effective date of the change in the Rule or Policy. Existing House Rules, if any, are posted at Marysville Housing Commission and are included in the Tenant Handbook. All rules contained in the Tenant Handbook are incorporated in this lease by reference.

25. **DISCRIMINATION PROHIBITED:**

The Landlord shall not discriminate based upon race, color, creed, religion, national origin, sex, marital status, age, handicap or disability, familial status, or recipients of public assistance and shall comply with all nondiscrimination requirements of Federal, State and local law.

26. **WAIVER:**

No delay or failure by Landlord in exercising any right under this lease agreement, and no partial or single exercise of any such right shall constitute a waiver (post or prospective) of that or any right, unless otherwise expressly provided herein.

27. **SEVERABILITY:**

If any provision of this lease is declared illegal or void in judicial proceedings, the remaining provisions herein shall remain in full force and effect.
